# SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of

the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence

Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games, wrestling events and concerts. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

# CENTENARY COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

## Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and

social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

## Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

## Faculty

More than 90 percent of Centenary's faculty hold the highest degree in their disciplines. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

## Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

# THE SUMMIT LEAGUE

***South Dakota State became the first Summit League soccer team to record a victory in the NCAA Women's College Cup with its first round win over 13th-ranked and fourth-seeded Colorado in 2008.***

Now in its 28th year as an NCAA Division I athletics conference, The Summit League continues its renaissance and ascent both on the playing field and in the classroom. The 2008-09 academic year saw the league reach numerous milestones among its 10 member institutions and 19 championship sports.

The Summit League made history during its 2009 Basketball Championships with record crowds and sponsorship totals in its first season in Sioux Falls, S.D. New attendance standards were established for the entire tournament, the women's tournament and several individual sessions. On the court, the North Dakota State men and South Dakota State women both achieved the rare feat of earning an automatic NCAA bid in their first season of eligibility.

Netting the NCAA's largest men's basketball attendance increase during the 2008-09 season further illustrated the growth and excitement surrounding Summit League basketball. The league ranked 16th nationally, up six spots over the previous year, and increased its crowds at a rate of 30 percent per game.

While basketball played a major part of the league's success, significant Summit League achievements spanned beyond the hardwood.

An unprecedented total of three Summit League teams ended their 2008-09 seasons with a national ranking. North Dakota State's softball team ended the year ranked No. 18 in the ESPN.com/USA Softball poll after capturing the league's first NCAA Regional title in a decade and becoming the first Summit League team to reach the Super Regional round. South Dakota State's women's basketball team earned a No. 19 ranking in the final *USA Today*/ESPN Coaches' poll after peaking at No. 14 during the season and posting a first-round victory in the NCAA Tournament. The Oakland men's soccer team finished at No. 30 in the College Soccer News poll after reaching the No. 24 position earlier in the season and becoming The Summit League's first top-25 soccer squad.

The NDSU softball and SDSU women's basketball teams were just part of The Summit League's postseason success that saw a combined seven NCAA Tournament wins. SDSU notched the league's first NCAA women's soccer tournament victory with a first-round win. Oral Roberts claimed a pair of baseball victories in

the Tempe Regional to finish as runner-up. The Summit League sent two teams to the NCAA Men's Soccer Tournament for the first time since 2003, and the third time in history. Additionally, Oakland's men's basketball team hosted and won its first round game in the inaugural CollegeInsider.com Postseason Tournament.

Individually, North Dakota State's Laura Hermanson recorded the league's best women's track and field finish with a runner-up performance in the 800 meters at the NCAA Outdoor Championships. Also in June, Western Illinois' golfer Kyle Peterman won a qualifying playoff to earn an amateur spot in the 2009 U.S. Open. During the basketball season, Oakland's Johnathon Jones was the NCAA assists leader and became the fourth player in league history, and first in 10 years, to lead the nation in a major statistical category.

In the classroom, a Summit League record 13 student-athletes were recognized as Academic All-Americans, including North Dakota State basketball player Brett Winkelman, who was selected as the University Division Academic All-American of the Year. Oakland basketball player Jessica Pike also garnered a top academic honor for her sport and was named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year.

Six Summit League teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports. Receiving the accolade was IPFW's men's cross country and volleyball teams, UMKC's volleyball and women's tennis teams, Oakland's women's golf team and South Dakota State's men's golf team.

The achievements during the 2008-09 academic year carried over from the summer when a pair of former Summit League student-athletes gained individual acclaim on the world stage. Former Oral Roberts student-athlete Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the Bahamas' 4x400-meter relay team after having claimed both the NCAA Indoor and Outdoor 400-meter titles earlier in the year. Former IUPUI standout George Hill became The Summit League's second NBA first round draft pick when he was selected 26th by the San Antonio Spurs after garnering Summit League Player of the Year honors.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its third year of a rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

*One of the Summit League's most iconic moments came when Valparaiso's Bryce Drew hit "the shot", a game-winning three-pointer at the buzzer, to top Mississippi in the first round of the 1998 NCAA Tournament. Valpo's story captivated the nation as they became the league's second team to reach the "Sweet 16."*

The 10 Summit League member institutions include Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University-Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University and Western Illinois University.

In April 2009, the University of South Dakota accepted an invitation to join the league with full membership during the 2011-12 academic year and will begin as an associate member for swimming and diving in 2009-10. The league has one other associate member, Eastern Illinois University, which competes in swimming and diving.

These member institutions pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, and volleyball. The league champion receives automatic bids to the NCAA Tournament in all applicable sports.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men's Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation's attention when Bryce Drew hit "the shot" to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run. More recently, Oral Roberts' baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach the NCAA Super Regionals in 2006.

The league has produced four Olympic athletes, four NCAA champions and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professionals and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first rounders and one WNBA selection. Former Summit Leaguers Kevin Duckworth (NBA) and Kevin Seitzer (MLB) each were two-time all-stars during their professional careers.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.

# CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20<sup>th</sup> century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

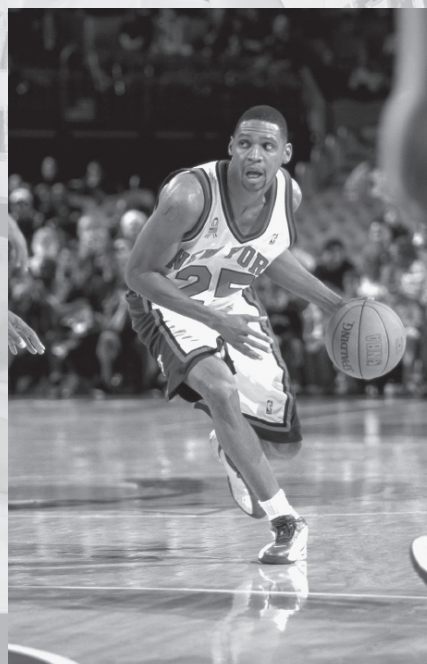

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in

1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In April 2003 Parish was chosen to be inducted in the National Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, LSU and Arkansas.

In 1980 the Golf Magazine

College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit

during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for The Summit League Tournament several times since the Ladies and Gents joined the conference in 2003. Three times a Centenary student-athlete has been named The Summit League Scholar Athlete of the Year with tennis player Anja Schmidt earning the honor in 2003-04 and 2004-05, while baseball's Brandon Fulencheck earned the distinction in 2006-07. Centenary was also named The Summit League's Sportsmanship School of the Year twice.

## DR. B. DAVID ROWE President of the College

Dr. B. David Rowe was named President of Centenary College of Louisiana in August 2009. An ordained United Methodist minister, Dr. Rowe holds a Bachelor of Science degree in Chemistry from Southwestern University, a Master of Divinity degree from Emory University and a Certificate in Ecumenical Studies from the World Council of Churches and the University of Geneva. He earned his Ph.D. from Georgia State University where his research led to the dissertation entitled *Cultural Leadership and Peace: An Educational Response to Religious Violence*.

With sixteen years in higher education administration, and with extensive planning, fundraising, and institutional marketing experience, Dr. Rowe has served Wesleyan College, Oxford College of Emory University and the Candler School of Theology. His professional interests, which include organizational transformation and global sustainability, complement his research specialization in leadership development and social change. He is the co-founder of a non-profit organization, Oikos (oy'-kos), which focuses on systemic solutions for global sustainability.

## ATHLETIC DIRECTOR

---

### DR. TOM TALLACH Director of Athletics

Dr. Tom Tallach has served as Centenary's Director of Athletics since Fall 2007.

Since his arrival, the Gents and Ladies have seen major changes to their surroundings. The Gold Dome has a new hardwood floor, new premium seating, a new public address system, and a new weight room. The tennis courts have been resurfaced and new screens and nets are being installed. The softball facility has new dugouts, a new backstop, and a new public address system.

These and numerous other improvements were made possible because of a dramatic increase in booster support. Tallach has high expectations for himself as well as for Centenary's student-athletes, coaches, and other staff.

Cente-

Tallach re-joined the Centenary community after most recently serving as Assistant Athletic Director at Tarleton State University. At Tarleton, he organized and administered a comprehensive compliance program for the institution, taught graduate and undergraduate courses, and provided administrative leadership and training for many of the sports programs. He served on NCAA regional tournament committees in women's basketball and softball and delivered compliance presentations to regional and national audiences.

With the exception of a two-year period that included doctoral research, work in the family business, and basketball coaching at Ouachita Baptist University, Tallach spent twelve years at Texas A&M-Commerce.

He began as a graduate teaching assistant and assistant men's basketball coach for a struggling Lions team that would win the Lone Star Conference (LSC) Championship two years later.

He then served as Assistant Athletic Director and faculty member in the Department of Health, Kinesiology, and Sports Studies. With primary responsibility for event management, compliance, and athletic scholarship administration, he also served as the Athletic Director for UIL (Texas High School Federation) Region II, administering championship competition in volleyball, basketball, track & field, tennis, and golf. He was later named Interim Athletic Director at the University.

Under his leadership, the Lions claimed LSC Championships in men's basketball and women's soccer, three coaches were named LSC Coach of the Year, and one coach was named Texas Association of Basketball Coaches Coach of the Year. He served on two NCAA regional tournament committees in women's soccer in addition to serving as Director of the 2005 NCAA Men's Basketball Regional Tournament.

During his tenure in Commerce, he was involved in and/or responsible for numerous facility improvements, served on many institutional committees including SACS re-accreditation, chaired the LSC Compliance Committee, helped guide the Athletic Training Education Program to national certification, and always taught at least one academic course.

A former Gent pitcher (Class of 1993), Tallach was named to the Trans-America Athletic Conference (TAAC) All-Academic Team, graduated Magna Cum Laude, was President of the Student Athlete Advisory Committee, and received the Health & Exercise Science Award. The '92 and '93 Gents captured TAAC Western Division Titles under head coach Andy Watson.

Tallach resides in Shreveport with his wife Gabriela and son Grant.

### ALLISON MCCLAIN Sports Information Director

Allison McClain begins her first year as the Sports Information Director in the Centenary College athletic department. In this role, McClain will oversee all aspects of the department for each of Centenary's 16 sports.

McClain was a 2009 Magna Cum Laude graduate of Centenary with a Bachelor of Arts degree in Communication with an emphasis on Professional Writing.

She spent her last two years working as a Sports Information student assistant, serving as the contact for men's basketball and men's and women's golf her senior year. As an undergraduate, McClain assisted with all game-day media relations' efforts, published articles on the college's athletic website, as well as the producing the 2009 Ladies softball media guide.

Outside the classroom and SID office, McClain excelled on the softball field as a four-year member of the Ladies softball team. In her sophomore season, she earned All-Mid Con and All-LSWA Second Team utility player honors as well as being named an All-Mid Con and LSWA Player of the Week. Her accolades went beyond the field, as she was recognized as an NFCA Academic All-America Scholar Athlete and named to the Academic All-Conference team all four years.

She garnered the Outstanding Athletic Achievement award her senior year, served as a student justice on the Centenary College Honor Court, was a member of Omicron Delta Kappa National Leadership Honor Society and was named to the Dean's List numerous times.

Prior to rejoining the Centenary athletic department, McClain spent the 2009 summer working as a Media Relations intern with the Houston Astros Baseball Club. With the Astros, she served as an editorial assistant for the Astros Magazine, assisted with game-day press box duties, compiled daily clips, worked with TV stats, and recapped games for the Astros Minor League affiliates.

A native of Diboll, Texas, McClain graduated as the 2005 Diboll High School Valedictorian. She is the daughter of Jim and Judy McClain. Her younger brother, Wesley, is a senior at Diboll High School and has committed to play golf at the University of Houston.

Alan Edwards begins his 15th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his seventh year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Mike Peck is in his fifth year with the Centenary athletics program after working extensively with many of the area schools and professional teams since 2001. He previously assisted with the athletic trainers at LSU-Shreveport and the Shreveport Sports independent baseball team while serving as the head athletic trainer for the Bossier-Shreveport BattleWings of the AF2. Peck earned both his Bachelor of Science in Physical Education with an emphasis in athletic training, and his Master of Science in Physical Education with an emphasis in Sports Administration from Fort Hays State. Prior to attending Fort Hays, Peck served in the United States Army and Army Reserve for 11 years.

Edwards, Bradstreet and Peck also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

## HEAD COACH

---

### DAN GWITT Head Coach

Dan Gwitt will enter his second full season as the head coach of the Centenary Ladies volleyball squad. After a complete rebuilding year in 2008, Gwitt has the program headed in the right direction and looks to make a move in The Summit League this season. Gwitt is still regarded as one of the nations youngest Division I head coaches and brings a variety of high level experience to the program.

A native of Eden, NY, Gwitt got his start with National Volleyball powerhouse Eden. Gwitt was guided by former Penn State All-American Sir Robert Pierce. Gwitt went on to win back-to-back state championships and choose Penn State to play his collegiate ball. Gwitt went on to graduate from The Pennsylvania State University in 2007. Throughout his career he helped the Nittany Lions to the Eastern Intercollegiate Volleyball Association Championship and advanced to the NCAA National Semi-Final at UCLA. Gwitt graduated with a Bachelors of Arts in Communication Arts and Sciences and Sociology.

During the offseason, Gwitt has worked and continues to work with several of the nation's top programs and coaches. Gwitt has worked with programs such as Penn State and Nebraska and will be working with Nebraska and Texas this summer 2009.

"We have a great core group coming back from last year and a really talented freshman class coming in. I think the balance of talent and experience will really help us grow fast as a team and put us in a good position to make a run at the conference tournament this year. Our goal is to establish ourselves as a mentally and physically tough team and with that our program will grow fast," said Gwitt about his 2009 team.

Born Daniel Edward Gwitt as the son of Edward and Kathy, he has a sister named Kristin, who is an officer in the United States Air Force.

### KASEY MCBREARTY Graduate Assistant

Kasey McBrearty enters her first season as a graduate assistant for the Ladies volleyball team. Her role will be assisting in game-day duties, practices, on-floor coaching, and strength and conditioning.

McBrearty comes to Centenary directly from Texas A&M University-Corpus Christi, where she graduated with a degree in Communication. She was a three-year letterwinner for the Islanders volleyball team and played one season at Arkansas-Monticello.

As a senior at TAMUCC, McBrearty appeared in all 26 matches and was second on the team with 208 kills. Her sophomore and junior seasons also ended successfully as she played in 156 games over those two years, tallying 442 kills and 1488 attacks.

McBrearty will join Centenary after most recently playing on the European Tour in December and January, while signing an Independent Pro Contract. She decided to return to the states to further her education in the Centenary Graduate Program.

She is very excited about the opportunity that is coming with the approaching season. She is also excited to be working with Coach Gwitt and she knows that what she can bring will be beneficial to the Ladies program.

McBrearty is a 2005 graduate of Dripping Springs High School (Texas). She was born on August 15, 1987 in Austin, Texas, and is the daughter of Mark and Elaine McBrearty of Austin.

### Inez Wheeler Volunteer Assistant

Inez Wheeler begins her first year as a volunteer assistant coach for the Ladies volleyball team. Her primary duties will include on-floor coaching, practices, game-day preparation, as well as assist with the strength and conditioning program.

Wheeler is joining the Centenary program after most recently graduating with a Bachelor's degree in Kinesiology with a minor in Biology from Grambling State University in Louisiana. At Grambling, Wheeler helped the Lady Tigers to consecutive conference season titles and finished her career as the starting setter. She played her freshman season at the University of Nevada before transferring to Grambling.

Upon graduating, she pursued a short career in volleyball overseas, but is now working on a degree in physical therapy.

She is very excited at the potential this young team has for this season. While working with Coach Gwitt, she feels that she can bring some energy and experience to the Ladies volleyball program.

Wheeler is the youngest daughter of two former college athletes and was born and raised in Anchorage, Alaska.
